Please find below and/or attached an Office communication concerning this application or proceeding.

Non-Responsive Amendment

1. The reply filed on Dec. 23, 2005 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): Applicant's statement, previously filed, regarding the inaccessibility of the original patent document is noted. In the most recent office action, it was positively pointed out that this statement must be signed by a person who has been explicitly named as being empowered to act on behalf of the assignee. If the statement regarding inaccessibility is signed by the attorney of record, a statement by the assignee or officer thereof must specifically name that attorney as being empowered to so act. The response filed on Dec. 23, 2005 fails to address this point, and additionally fails to provide a statement by the assignee which specifically names the attorney empowered to make the statement as to inaccessibility. Since the above-mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
